Subminiature connectors

Product description Push Pull Male panel mount connector, Contacts: 7, unshielded, solder, IP40

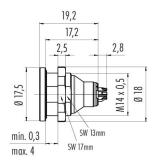

Area **Push-Pull series 430**Part no. **09 4927 025 07**

Technical data

General features

Part no.	09 4927 025 07
Connector design	Male panel mount connector
Version	Connector pin straight
Connector locking system	Push-Pull
Termination	solder
Degree of protection	IP40
Cross-sectional area	0.14 mm ² / AWG 26
Temperature range from/to	-40 °C / 85 °C
Mechanical operation	> 500 Mating cycles
Weight (g)	9.76
Customs tariff number	85369010
Country of Origin	DE

Electrical parameters

Rated voltage	125 V
Rated impulse voltage	1500 V
Rated current	1.0 A
Pollution degree	2
Overvoltage category	
Insulating material group	
EMC compliance	unshielded

Material

Contact body material	PUR/PA	

Subminiature connectors

Product description

Push Pull Male panel mount connector, Contacts: 7, unshielded, solder, IP40

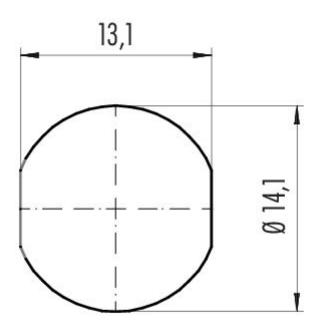

Area Part no. Push-Pull series 430 09 4927 025 07

Contact material	CuZn (brass)
Contact plating	Au (gold)
REACH SVHC	CAS 7439-92-1 (Lead)
SCIP number	6b3f353e-620a-4eec-811c-65ea6c18fa25

Classifications

eCl@ss 11.1	27-44-01-09
ETIM 9.0	EC003569

Security notices

The connector must not be plugged or unplugged under load. Non-observance and improper use can result in personal injury.

The connectors have been developed for applications in plant engineering, control and electrical equipment construction. The user is responsible for checking whether the connectors can also be used in other areas of application.

Connectors which are used in circuits with voltages dangerous to the touch may only be installed and used by, or under the supervision of, persons with electrical engineering training, taking into account the applicable regulations and standards.
