## MARKETING INFORMATION AND CLAIMS

### Product Description

The Energizer HDL50 Waterproof, Dustproof, Multi-colored Headlamp is another innovative headlamp solution within the extensive headlamp line. Featuring bright, durable and energy efficient LED technology (12 X Brighter than Standard LED),, users get a bright, lightweight, hands-free solution with ample run time capability. It is a perfect light for home, work and outdoor activities. Featuring patented Digital Focus, users can easily broaden or narrow their field of vision with a simple button press. With a comfortable, adjustable head strap, anti-glare design, and pivoting head to direct light exactly as needed, this headlamp is another way *Energizer*® continues to deliver innovative lighting solutions.

## DESIGN FEATURES AND BENEFITS

- ✓ Green LED mode allows users to preserve night vision
- ✓ Compact, lightweight design with comfortable head-strap
- ✓ Pivoting head to direct light where needed.
- ✓ Waterproof with shatter proof lens

## PERFORMANCE FEATURES AND BENEFITS

- ✓ Waterproof for use in all weather conditions.
- ✓ High CRI for clear color definition
- ✓ Digital Focus allows user to broaden/narrow the light beam
- ✓ 6 modes provides versatility to suit your needs
- ✓ Bright, durable, energy-efficient LED technology
