Miniature Test Clip Set

10 piece set of Do-it-yourself miniature hook clip for general...

Description

10 piece set of Do-it-yourself miniature hook clips for general purpose electronic testing. With a compact size and easy to solder assembly, the clips are ideally suited for tight measurement needs. The clips feature smooth, soft touch actuation with high quality gold plated BeCu equivalent contact hooks. The Mini Pro Clips also feature a snap-lock to securely fix the cap to the body.

- Gold plated BeCu contact hook
- (10) pieces (1) of each color clip
- Fits 21 AWG (0.40 mm²) wire
