

Data sheet Product MLW 44

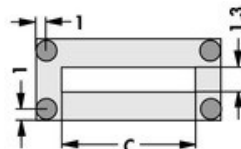

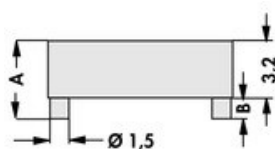

Accessories for electronic components>Mounting material for single semiconductors and heatsinks>Mounting pads
Montagescheiben für Leistungstransistoren

- für TO 220, TO 219, TO 202 und ähnliche
- für vertikale und horizontale Montage
- ebenso geeignet als Halterung für abgewinkelte Anschlüsse

Features

weitere Bauteile:	power transistors
material:	polyamide 6 (nylon)
temperature range:	-40°C... +120°C
colour:	white
class of inflammability:	UL 94 V-2

Technical Drawing

A:	4.4 mm
B:	1.3 mm
C:	7.1 mm
