

Qoltec Charger | 45W | 5-20V | 2-3A | USB type C | PD

Product code: 50134

Qoltec power adapter is a guarantee of safe power supply and use. You can use it at home or at work. It has a number of protections to protect connected devices. It is characterized by high efficiency which reduces energy consumption.

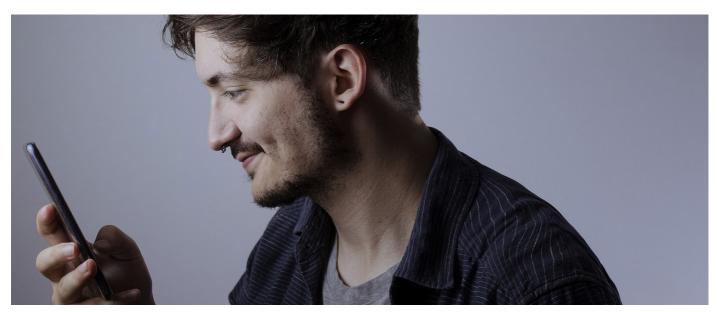

WARNING! Adjust the voltage and plug

We've updated information to increase the safety of use, please download the current user manual for Qoltec chargers. Link below:

WHAT IS POWER DELIVERY?

The Qoltec brand charger is equipped with the latest POWER DELIVERY technology, which will adapt to the connected equipment, precisely setting the maximum voltage and current required.

The **POWER DELIVERY** technology uses a **USB-C** connector. It is extremely versatile, reaching **45W** of power, and protects less demanding devices, so you can use it with many different types of devices without worry.

You can conveniently use at home, at work or on the go and power up your smartphone, tablet and other mobile devices.

WWW.QOLTEC.COM 1 / 4

USB TYPE C CABLE

POWER DELIVERY technology uses the **USB-C** connector.

USB TYPE C cable offers:

- symmetrical connector, guarantees the correct connection of the device regardless of the rotation of the plug, increased data transfer rate compared to standard USB 3.0.
- video transmission in 4K video from 30 fps.

COMFORT IS THE KEY TO TOGETHER SATISFACTION

Made with attention to every detail. The charger has been made from the highest quality materials to provide you with a reliable power supply in any situation. The technologies used in it will allow for low power consumption and high efficiency.

Lightweight and at the same time solid construction guarantees convenience and comfort of use. Universal colour and ultra-modern design will fit perfectly into your interior. With our charger you can charge not only your smartphone but also your tablet, wireless headphones and speakers, camera equipment, power bank and much more. The charger is indispensable for any journey. The small size means that it fits into any socket and takes up very little space.

The ultra-fast charger will meet the expectations of anyone who appreciates convenience and time saving. Thanks to its small and lightweight casing, you can always carry it with you.

DESIGNED SPECIFICALLY TO PROTECT YOUR SAFETY

Constructed from high quality materials, it offers total safety of use.

It is additionally equipped with $\ensuremath{\textbf{PROTECTIONS}}$:

- against too low or too high input voltage,
- against overload of each power supply line,
- short circuit in the power supply circuit,
- protects against damage caused by overheating.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you want a high quality product? Our solutions will meet your expectations. Each of our chargers is covered by a 24 month guarantee from the date of purchase.
