

## Qoltec Power adapter for Lenovo | 180W | 20V | 9.0A | Slim tip+pin | +power cable

Product code: 51730

The universal Qoltec power adapter dedicated to a laptop is a guarantee of safe power supply and use. It is characterized by high efficiency, which reduces energy consumption.

We invite you to familiarize yourself with the full range of our power adapters. The [configurator](#) will help you choose the right model.

### A SOLUTION DEDICATED TO YOU

When it comes to power supplies, reliability is crucial. Select a Qoltec power adapter dedicated to IBM/Lenovo laptops. It is made of the highest quality materials, and the technologies used in it allow for low energy consumption and high efficiency.

Package contents power supply with velcro to organize the cable, thanks to which you can adjust the length of the cable.

### SAFE POWER SUPPLY IN A UNIVERSAL VERSION

Our power adapter is equipped with protections:

- overvoltage protection
- it's protection against too low or too high input voltage,
- overload protection – it's protection against overload each power line,
- short-circuit protection – it's protection against short-circuit in the power supply circuit,
- overheating protection – it's protection against overload or bad air circulation.

### FOR GAMERS

Laptops for gamers are equipped with modern technology. A strong processor and a powerful graphics card need a lot of power to ensure its stable operation. This is guaranteed by the appropriate power supply, which ensures the correct operation of all components. That is why it is so important to choose the best power adapter that will allow you to enjoy an unforgettable gaming experience.

### CONFIDENCE CONFIRMED BY A WARRANTY

You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Qoltec universal power adapter is covered by 36 months warranty.
