

Qoltec Power adapter designed for HP | 65W | 3 plugs | +power cabel

Product code: 51758

Qoltec's Power adapter is designed for HP notebooks. Guarantee of safe power supply and use.

We invite you to familiarize yourself with the full range of our power adapters. The [configurator](#) will help you choose the right model.

A SOLUTION DEDICATED TO YOU

We are as attached to electronic equipment as we are to a car. If we are satisfied with one brand, we remain faithful to it. It's the same with laptops. We often have 2 or 3 devices of one brand. It is compact and does not take up much space. However, several power adapters connected to many sockets look unattractive in our living room or office. The solution is a Qoltec Power adapter designed for HP, which will be compatible with every HP laptop thanks to 3 interchangeable plugs.

SAFE POWER SUPPLY IN A UNIVERSAL VERSION

Always be prepared with the universal Qoltec power adapter. Our solution offers:

- 3 interchangeable plugs - power adapter will be compatible with any HP laptop,
- protections: overvoltage protection, overload protection, short-circuit protection, overheating protection,
- high quality materials - guarantee the long life of the power supply.

CONFIDENCE CONFIRMED BY A WARRANTY

You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Qoltec power adapter designed for HP is covered by 36 months warranty.

TECHNICAL DATA

Producer	Qoltec
Designed for brands	HP/Compaq
Plug type	4.5 * 3.0 mm + pin, 4.8 * 1.7 mm, 7.4 * 5.0 mm + pin
Usable power	65 W
Input voltage	220 - 240 V
Range voltage	18.5 V / 3.5 A 19.5 V / 3.33 A
Frequency	50 - 60 Hz
Efficiency	Level VI
Safety	Overvoltage protection Overload protection Short-circuit protection Overheating protection
Additional information	AC / DC power supply intended for telecommunications equipment and automatic data processing equipment and devices for these machines.
