

Qoltec Power adapter for Acer 45W | 19V | 2.37A | 5.5*1.7

Product code: 52394

The universal Qoltec power adapter dedicated to a laptop is a guarantee of safe power supply and use. It is characterized by high efficiency, which reduces energy consumption.

We invite you to familiarize yourself with the full range of our power adapters. The [configurator](#) will help you choose the right model.

A SOLUTION DEDICATED TO YOU

Reliability is crucial for you? Choose the Qoltec dedicated power adapter for Acer laptops. It is ideal for home or office, as a main or auxiliary power supply. It is made of the highest quality materials and the technologies used will allow for low power consumption and high efficiency. In the set you will find power adapter with Velcro to organize the cable, so you can adjust the length of the cable to your needs.

ADAPTING THE POWER SUPPLY - WE GIVE A HELPING HAND

It is very important to match the right AC adapter for your laptop model. You can reduce the forced break in activity to a minimum by following these simple rules:

You can read the basic parameters from the label on the bottom of the laptop, they will be: **POWER (W)**, **VOLTAGE (V)**, **CURRENT (A)**. The following points will dispel any doubts that may arise when making your choice of equipment:

1. **POWER (W)** - this number indicates the minimum value that a new power supply should have. Nothing prevents you from using a product with a higher strength. Thanks to this, it will be less loaded, and therefore it will heat up less.
2. **CURRENT (A)** - here, as in the case of POWER, the value on the new power supply may be equal to or higher than that indicated on the rating label of the laptop.
3. **VOLTAGE (V)** - the number for this parameter is more restrictive. Only a fluctuation of $\pm 0.5V$ is allowed.

The last and equally important issue is the **PLUG**. You can't move without it! There are no exceptions here, it must be **identical to the original**. The size shown is the outer diameter and inner diameter of the plug. If a comparison based on the presented photo is not enough, a measurement will be necessary, which will ultimately **confirm your choice**.

SAFE POWER SUPPLY IN A UNIVERSAL VERSION

Constructed from high quality materials, it offers total safety of use.

It is additionally equipped with **PROTECTIONS** :

- against too low or too high input voltage,
- against overload of each power supply line,
- short circuit in the power supply circuit,
- protects against damage caused by overheating.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you want a high quality product? Our solutions will meet your expectations. Each of our power adapters are covered by a 36 month guarantee from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Designed for brands	Acer
Plug type	5.5 * 1.7 mm
Usable power	45 W
Input voltage	220 - 240 V
Output voltage	19 V
Output current	2.37 A
Efficiency	Level VI
replaces	A045R021L-AC01-01, A13-045N2A, ADP-45HE B, KP.04503.002, KP.0450H.001, KP0450H.002, PA-1450-26
Safety	Overvoltage protection Overload protection Short-circuit protection Overheating protection
Usage	Laptop
Additional information	AC / DC power supply intended for telecommunications equipment and for automatic data processing equipment and devices for these machines.
Cable length	1.50 m
Dimensions	30 x 90 x 75 mm
Colour	Black
Package contents	Power adapter Velcro to organize cable
Net weight [kg]	0.1640
Gross weight [kg]	0.2200
Warranty	36 months
Package depth / length [mm]	75
Package width [mm]	150
Package height [mm]	195
EAN code	5901878523941
